

# OPEN STUDIO

## COLLAGE ART

**WEDNESDAY, APRIL 22**

**6:30PM-8:00PM**

**FOR ALL AGES  
NO REGISTRATION NEEDED**

Join us for Open Studio art time, a relaxed, judgment-free space where participants of all ages and skill levels can express themselves through creation. We will focus on the joy of art making and connection with our neighbors, not on producing something perfect.

For our first series, we invite you to try out collage making. We will provide a variety of old magazines, newspapers, books, and more for you to create a unique piece of art. Even if you don't know how to draw a stick figure, collage is a fantastic way to make amazing art.

This program is for all ages; children under 14 should be accompanied by an adult caregiver. Paper, glue, scissors, and tape will be provided. You are welcome to bring your own materials to work with. No registration is necessary.
