

## "WHERE'S THE KEY?"

You might find yourself wondering this if you try to use the restroom at the library this month! We are experimenting with public restrooms once again, so for the foreseeable future you will not longer need to grab the key before you go!

## SPINNING FIBER

Experienced spinners and interested novices are welcome to stop by the library on Tuesday, February 25th at 6:30 PM to see what the art of spinning is all about!

## EFFORTLESS MEDITATION WITH HEIDI

Looking to be more mindful in 2020? Or are you just looking for some peace and quiet? You are invited to join Heidi for Effortless Meditation, the practice of letting go, every Wednesday at 6:30 PM!

## AS YOU CHECK OUR OUR NEW PROGRAMS, DON'T FORGET OLD FAVORITES! SEE THE FULL CALENDAR OF EVENTS ON THE BACK!

## THE STAFF RECOMMENDS

**MIKAYLA:** Read more, read better, read harder—are you up for a challenge in 2020? I set a goal for myself to read more this year (I read 9 books in January alone!) and have been thinking about taking on another challenge to expand my horizons of what I read. Book blogger GirlXOXO published a masterlist of different reading challenges you can try out here: <https://tinyurl.com/Challenge-Masterlist>. I recommend Book Riot's "Read Harder" Challenge or PopSugar's Reading Challenge if you want to go out of your comfort zone and try some new authors or genres, or the Beat the Backlist Challenge if you have a mountain-high TBR pile like I do and just want to get through that before reading anything else!

**SARAH:** Join us for our revitalized craft group, Crafton's Crafters! Share tips, show off your projects, learn something new! Any form of craft and any level of experience is welcome! Saturdays from 3 until 4 PM!

**ALYSSA:** Since I only have one line... check out the Pittsburgh Coffee Passport at [www.wcoffeepassportpgh.com](http://www.wcoffeepassportpgh.com)!

**TRACEY:** I was recently reminded of a place that I used to take my daughters (and actually my brother, too!)—The Neville Roller Drome!!! I was so glad to hear it is still around and open for skating! We spent many Wednesday evenings there for family skate night, and the girls all took lessons on Saturdays. The original owners sold the business in 2011, but the new owners have made some noticeable improvements. If you're looking for something new to do with the family—this could be it!

*Meet Me at the Museum by Anne Youngson*

Tina Hopgood lives a life of routine on her family's English farm. Surrounded by others yet feeling utterly alone, she wonders how her life could have ended up differently. After she loses her best friend, Tina writes to a museum regarding an artifact that was important to her decades earlier. Danish professor Anders Larsen, who leads a quiet life after his wife's death, receives the letter and decides to respond. Neither party expected a reply, let alone to make a connection that would open them back up to a world of possibilities.

Meeting on Tuesday, February 25th at 6:30 PM
