

# BEGINNER CROCHET DROP-IN WORKSHOP

**Saturday, March 28, 2026  
12 to 3pm\***

**Calling all crafters and aspiring crafters: join us for a drop-in workshop with crochet designer, Tara Briggs (Tara Loves Crochet). As we learn the basics of crochet, we will be working on a small project to help practice our new crochet skills! At the end, you will go home with a small project and a link for a free download of Tara's Gradual Beginner Wrap Crochet Pattern. This pattern walks you through everything you need to know to make your first moderate-sized crochet project!**

**If you have hooks and yarn, feel free to bring them.  
If you don't have any, we will have yarn and hooks on hand!**

**\*This is a pop-in event, so you can come for 15 minutes or stay the whole time or anything in between!**
